

**Message to Participants and Supporters of the Canada Cup T20 from
Her Excellency Camille Robinson-Regis, High Commissioner of the
Republic of Trinidad and Tobago**

It is with great pleasure that I send you greetings from the Government and people of the Republic of Trinidad and Tobago on the start of the upcoming Canada Cup T20 cricket games in Toronto. I must commend the organizing committee for their foresight in revitalizing the sport of cricket in Canada. Your recognition and promotion of cricket within the many communities in Canada that cherish and enjoy playing the sport is one that I am sure will be avidly supported. I would also like to congratulate all the participants and supporters of the Canada Cup T20 2010, as your enthusiasm in celebrating the sport is clearly a reflection of your love for the game.

Cricket in Trinidad and Tobago and in the West Indies has long been a treasured, well represented sport and our love for the game is well known all over the cricketing world. It is exciting to know that this tradition is being supported and encouraged among the West Indian Diaspora and among Canadians in Canada. Your dream of representing Canada internationally is achievable; I wish you success in this competition and in your future endeavours.
